GOVERNMENT AGENT'S OFFICE.

KASLO, B. C. 22nd Novr/09 190

P. Bion, Esq.,
Usine Electrique de Saigon,
SAIGON, Cochinchina.

Sir, -

In reply to your letter of the 9th September regarding lands in this Province, I beg to say that this country is mountainous and unsurveyed, and while there are Government lands open for pre-emption, or purchase - 1st and 2nd class land at \$2.50 and \$5.00 per acre - your best way would be to come and make a personal examination as to whether there is anything that would be suitable for your purpose. There are no reliable maps that I could recommend, as the information is put on by description only.

I am sending you, under separate cover, what literature I have bearing on the subject.

I have the honour to be, Sir,

Your obedient servant,

Government Agent.
