Dear Mother

I received your letter yesterday am glad you are feeling so good and had such a nice trip.

I must tell you before I forget. We are getting very tony. We had Mr A. Walter in for dinner ~~tod~~ yesterday and Mr Bastin in today. They were going to town and did not want to eat on the boat.

My cold has all gone

There is a fire Insurance
letter for you to sign
I am sending it on to you

Willie went to town
today My Page milked his
cow. today and the cow
kicked the buckit and
spilt the milk all over.
so we have had to use
condensed Milk

I had a letter from
Beth. She has a school
but she did not send
the $10.00 that I lent her.
I guess she will when
she earns some

and I am feeling just
fine. Jappy is doing fine
and between Uncle Mac
and Uncle Jerry and the
Doctor I am having a
snap. Uncle Mac shakes
the mats and fills the
lamps and gets the butter
and runs errands to the
store.

I had Coban down
Today. Bella went to
call on Mrs O'Brian.

We had two men
Monday night and
one last night.

We are all fine. so do not worry about us I am also sending your gloves and front.

Have you seen the Doctor yet? Hope you are getting better fast. Love to Granny Grandpa and aunty and Yourself

your loving daughter

Lydia.
