Dear Mother

I received your letter last night and was glad to hear from you.

I do not know when I will be home I don't think this Friday. Doctor Millard was in on Friday to see Mary. She says she is doing alright and does not want to operate for a little while yet. She thinks perhaps a trip would

do her good. but I dont
know. I think it would
do her good if she did
not have the baby it
worrus her. but she would
not be content without
him I think myself that
I would be more sensible
for her to get a girl to
come and work for her.
and stay at home but.
she will have to do what
she thinks best.

I think I ought to
come home I guess
you are getting a bit
played out. I am

feeling fine. Dr told
me it would be a good
plan for me to take Tommy
home for a month and
give Mary a rest. but
Clinton does not want to
let him go. I dont think
that he will let Mary
come with him even.

I am going to get
something for Tommy
for you this week.

Did my parcel come?
If it did you can open
but put it up in my room.

tell I come home. Jessie
can have a look at it
if she likes. I don't
know when I will
be going to Nanaimo yet
Hope you are well and
not working too hard
If it is freezing hard tell
Edith to lift all the plants
out of the windows.

Your loving daughter

Lydia
