DOG TRIALS

"Casey", a poodle owned by Mrs. J. H. Harkema of S.S.I. was the outstanding dog at the dog trials held at the Fulford Community Hall last Sunday afternoon. Scoring 198 1/2 points out of a possible 200, "Casey" won 2 cups; the Novice A class cup, donated by W.P. Evans, president of the S.S.I. Dog Obedience Training Club, and the cup for the best local dog, donated by the Mt. Brenton D.O.T.C. Of the 37 dogs entered, 11 were from S.S.I. the others being from Victoria, Mt. Brenton, Nanaimo, Cowichan, Alberni, North Saanich and Parksville. Four of the dogs from S.S.I. qualified for the Novice A class by scoring 170 points or more. Mrs. N.A. Howland's dog, "Pup" scored 183; "Peg" owned by Mrs. Irene Hawksworth, 187; "Kyp", Mr. W. Addy, 184 and "Casey" with 198 1/2. The points are scored on such things as heeling on leash, examination, heeling free, recall, 1 minute sitting and 3 minutes lying down. The S.S.I. dogs have had only 12 weeks training under the guidance of Mrs. A. Best and four such dogs qualifying is looked-upon as a tremendous success. There was competition in Novice B class, Open A Class, Open B Class and Utility Class. These competitions were won by off-island dogs. Approximately 100 people attended the trials. Refreshments were served by the South Salt Spring Islands Women's Institute. The judge was Dr. E. Johnson, a veterinarian, from Cobble Hill. Harold Hoffman of S.S.I. was Trial Secretary. New classes for the dogs of S.S.I. will start in September.

FACTS, FABLES, & FOIBLES.....

SCHOOL BOARD MEETINGS

School Board meetings are public meetings. But you could not tell that by the attendance. At the two meetings covered by DRIFTWOOD no one else attended and by all indications no one of the general public has attended one in a long time. The school trustees have the heavy responsibility of providing for your children's education and they over-see the spending of nearly a quarter of a million dollars of the public money. Granted the meetings are dull and lengthy, but the non-attendance of the public is what makes them dull and lengthy. With no one to watch the meetings week after week, the meetings become sloppy and many hours are wasted on petty wrangling that should have been done in committee. We think the P.T.A. is especially derelict in it's duty by not having a representative at every meeting and reporting back to the P.T.A. If the P.T.A. is really interested in better schools and better education, how could they miss this important facet of the educational picture? And how can people, who profess to be vitally interested in education, go out and vote for a school trustee when they have never seen the man in action or know his voting record or know what he stands for? DRIFTWOOD has been at two meetings and we will attend more, but we do not have the space to report verbatim what the public should hear for themselves. At present there is a wide area of mis-understanding between some school trustees and DRIFTWOOD on responsibilities of the press. We believe that anything said at a public (CONT'D NEXT COLUMN)

meeting is legitimate to print, but, admittedly, some of the things discussed at present meetings should be discussed in the privacy of committee meetings. In fairness to the board, who is not used to having an eager press at their elbow, we will print only their insipid press release at this time. But beginning next month, in fairness to our readers, we will print what we see and hear at the school board's meetings. The next meeting is on August 11th. Will the P.T.A. be there?

PRESS RELEASE

Mr. J.G. Reid reported that the Summer School was now in session with 136 pupils attending, more than the registered 133. The Teaching Staff is eight including Mrs. F.M. Hepburn from District No. 64. Mrs. Hepburn also is looking after the transportation for the Island students on the trip to and from Vesuvius Bay, with the Ladysmith Bus connecting at the Crofton end of the ferry run for the trip to and from Duncan. An addition is to be built to the Saturna Island School necessary from the increased enrollment. Tenders are being called with the completion date to be for the commencement of the School Term. Advertising for teachers to fill vacancies occurred since the closing of the School Term had taken place and applications are being processed and positions filled.

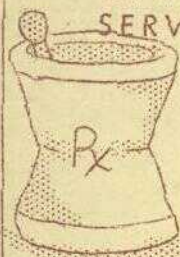

Mr. Scot Clarke has donated a sign for the Mahon Hall; thus filling a long felt need for the identification of the hall to visitors on the Island.

The summer work program was outlined - covering painting at Saturna and Mayne Teacherages and tidying up of grounds, fencing the school property at Pender Island, and substantial repairs to the roof of the school at Ganges.

(CONT'D FROM P.1) FACTS, FABLES & FOIBLES...

July 29th, at 11:00 am, starting from the Summer's home to a large rock at the far end of the lake and return... If ants are such good workers, why are they always at picnics... Kris Sande, brother-in-law of Bill DeLong caught a 24 lb. 12 oz Spring last Sunday on a fishing party headed by David Conover, of Wallace Island... The worst thing about history is that every time it repeats itself the price goes up...

...O.H.New, in his brief to the cabinet, said that

he could find only one person from the Victoria area who has bought property in the Gulf Islands in recent times. We did just a little checking and found several people from Victoria, who have bought property in the last few weeks.... The people, who have been prematurely using the Caldwell property at Walker's Hook as a government park, should take note that the government is not interested in the property at this time, and that it is still private property.

CHARLES GARDNER

Charles Gardner, well-known, long-time resident of Salt Spring Island passed away on July 25th at the Lady Minto Hospital at the age of 93. Mr. Gardner, who was in excellent health until two weeks before his death, was born in Stratford-on-Avon, England, Feb. 18th, 1867. He first came to Salt Spring Island in 1894, but did not settle permanently here until 1904, at which time he began his farm in the Cranberry District. Mr. Gardner was married in Victoria in 1903 to Miss Florence Search of England. She died in 1943. Mr. Gardner is survived by two sons, Mervyn of Salt Spring Is. and Audley of Victoria; and one daughter, Mrs. Freda Little of Port Alberni. He is also survived by one sister, Mrs. Firth of Edson, Alberta, five grandchildren, one great-grandchild and many neices and nephews. The funeral will be at St. George's Church in Ganges on Thurs. July, 28. Internment will be at St. Mark's Cemetery under the direction of the Haywards Funeral Home. Pallbearers will be Bob Collins, Jack Nelson, V. Case-Morris, Ted Brown, Gavin Mouat, and Hal Van Buskirk.

Continuing the Journal of Anthony Tripp, said

to have been found with sundry letters in rubbish removed from a derelict farm on Maxwell Mountain, Salt Spring Island, 1959.

3 of March, 1867 (cont'd)

My father assures me that Capn. Tamblyn's bushy eyebrows and gruff voice terrified any but the absolute Honest of the Miner seekers after Loans and that when granted, he would seize his stout walking-stick and accompany the Miner post-haste to the Store of Mr. Alfred Fellows on Yates Street, there to buy on the spot the Picks, Shovels and sundry Equipment afore the borrower was tempted from his purposes by the lures of the

Devil in the shape of Women or Strong Drink. The failure of Macdonalds Bank in 1864, which brought Tribulation to many, stimulated his business to a degree, as Miners operating in the Cariboo were caught desperate short of Money. Miss Mary Tamblyn is a lovely young Lady of some spirit, for she is not at all fearful of her ogre of a father, as am I.

An introduction by Archdeacon G. H. Holmes to

Mayor T. Dobson of Duncan, officially opened the annual Garden Fete on the Harbour House lawn, Wednesday afternoon. The fete is a combined effort of all the W.A.'s of the Parish and was a highly successful affair.

It was a lovely afternoon for an outdoor affair and the stalls were arranged under the shade trees, with flags waving overhead, lovely flowers, music and a tennis tournament made this festive occasion a delight for the guests.

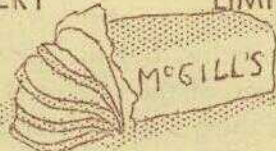

Tea was served in the dining room of the hotel. The tables

were decorated with flowers and each table held a plate of delicious sandwiches and cakes.

As usual, in these affairs, the home cooking stall proved most popular and the wonderful, breads, cakes, buns, etc. disappeared as if by magic within minutes of the opening.

Other stalls sold candy, books, costume jewelry, aprons, delicatessen foods, flowers, needlework, fresh fruits and vegetables, a miscellaneous stall and a bargain counter. We will list the names of the ladies who convened this affair next week.

The annual picnic of the S.S.I. Choral Society was held on Wednesday, July 20th, at Circle K Park on St. Mary's lake. About 32 members and friends were present to enjoy the abundance of food and fine weather in the beautiful surroundings. Some of the braver members went swimming and later in the evening a general sing-song was held. Mrs. Charles Zenkie, a late choral member, had kindly donated ice cream which was greatly appreciated by all. The party broke up about 9:30 with the singing of "Auld Lang Syne."

Mr. A. C. Carter, Provincial Horticulturist of Victoria, will be the guest speaker of the Salt Spring Chrysanthemum Society on Wednesday, August 3rd, 8 pm, at the home of Mr. and Mrs. C. Worthington. His subject will be Fuchsias, Begonias, and Shade-Loving Plants. Anyone interested will be cordially welcome at the meeting.

Mrs. Henry Hamilton, Mrs. Helen Warren, Miss Joan Bell and Mr. O. Anderson are in Portland, Oregon, where they are attending the Jehovah's Witnesses Continent Wide Convention. Theme of the convention is "Security During War of the Great Day of God the Almighty."

DID YOU KNOW?

An old-time logger on this island got permission from the lady he was boarding with to make a little cider in the basement. Following a great creaking of timbers she found the front of the house lifted six inches in the air, and underneath was the old boy pumping a 20-ton hydraulic jack to squeeze the last drop of juice out of his apples.

LETTERS-TO-EDITOR-DEPARTMENT

"The Editor, DRIFTWOOD: Dear Sir: It is with regret that we wish to announce the cancellation of our Annual Chicken Barbeque. We feel that having a barbecue within a short time of another one could have an adverse effect, and we are not in a position to stand any financial loss that could be involved. When arrangements were made and a day set some months ago, we were not aware another barbecue would take place at about the same time. However, we definitely intend to hold our barbecue in August of next year, 1961, as we do wish to make this an annual Salt Spring Island event so that all can come and have an enjoyable day and at the same time help support the largest community hall on this island.

(signed) Fulford Community Hall Assn."

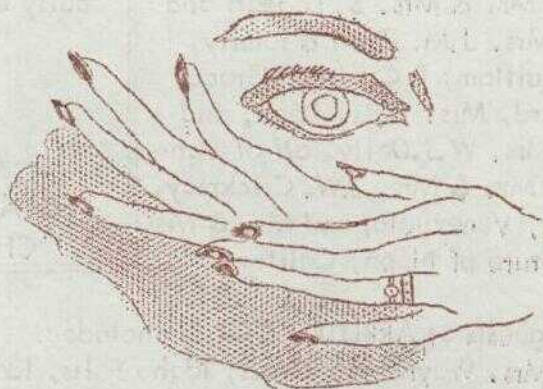

"The Editor, DRIFTWOOD: Dear Sir: As a member of some years' standing of both the Salt Spring Island Chamber of Commerce and the Galiano Island Chamber of Commerce, I wish to publicly disassociate myself from the brief recently presented to the Executive Council, Government of the Province of British Columbia, at Ganges, B.C. The brief in question is said to have been approved over the signatures of directors of the Salt Spring Island Chamber of Commerce, the Pender Island Chamber of Commerce, the Galiano Island Chamber of Commerce, the Saturna Island Community Hall Association and the Mayne Island Farmers' Institute. I received no

advice of the meetings at which the decision was made to present the brief and had no opportunity to consider it or speak to it in advance of its presentation. It is also my opinion that many other Chamber members are in a similar position and, in any event, in my opinion, the thoughts expressed in the brief do not represent the thoughts of the majority of the residents in the district with which the brief is concerned.

(signed) O.H.New.
